PROFILE INFO

I am a motivated second-year undergraduate specializing in Software Engineering at Sri Lanka Institute of Information Technology (SLIIT), seeking an internship opportunity to apply my technical skills in a professional environment. With a strong foundation in programming, software development, and problem-solving, I am eager to gain hands-on experience, contribute to innovative projects, and further develop my expertise. I am enthusiastic about working in a collaborative team to deliver impactful solutions while continuously learning and growing in the field of software engineering.

PROJECTS
